

Brass exhaust valve

Air Exhaust Valve

Material : Brass

Temperature of Media : Normal Temperature

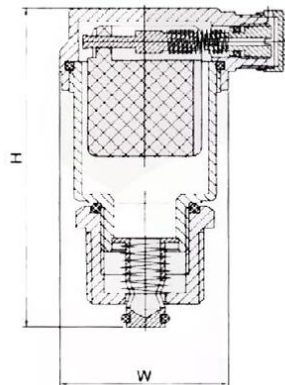

Pressure : Low Pressure

Media : Water

Port Size : 1/2"-1"

Working Temperature : -10-110°C

Product basic description:

Process	precision +machining, other process can be customized.
Material	US Schumann bronze
Unit Weight	0.1kg-30kg
Finish	Plain,Nickel Plating , Chrome Plating or Polishing
Application	Automotive ,Mining, Railway, Construction equipment,Mining etc
Quality Control	CMM, Projection Machine, spectrometer, Hardness tester, Tensile tester etc.
Certificate	ISO 9001:2008

Standard	ASTM,DIN,ISO,BS,JIS
